Exciting Updates and Transitions!

Join us October 13th at 10 a.m. for the grand opening of the Betty Irene Moore Hall and the Retiree Center's Sacramento office.

The UC Davis Retiree Center was created to serve UC Davis retirees and to support the work of the associations — the UC Davis Emeriti Association (UCDEA) and the UC Davis Retirees' Association (UCDRA). Founded in 2006 the Retiree Center celebrated a tenth anniversary last year and we have a great deal of news to share in this current year.

New relationships and benefits

First, the Retiree Center has been,

and continues to be, a unit of the Development and Alumni Relations department on campus. In the spring of 2016 the administration of the Retiree Center transitioned to the Alumni Relations unit (also under Development and Alumni Relations) and in early 2017 interim director Becky Heard was named as director of the Retiree Center.

The alignment of the Center as a unit of the Cal Aggie Alumni Association (CAAA) means additional benefits

and values are available to retirees. First, retirees can participate in CAAA Aggie Adventures Travel, a world-class travel program providing Aggies with exciting group travel opportunities. Additionally, members of the UCDRA and UCDEA are eligible to access CAAA partner discounts such as PetersenDean's "Solar 4 America" program offering a 5% discount off a solar system, new roof or energy storage nationwide. Affiliates 50 years and older, military veterans, and first responders also receive an additional \$500 off. Other benefits and discounts available to UCDRA/UCDEA and CAAA members include insurance programs through Mercer (numerous insurance plans are available at

a discount including, health, dental, major medical, disability, long term care insurance as well as pet insurance programs). Lastly, excellent discounts are available through CAAA's partnership with GEICO for home, auto, boat, and renters insurance. Please consider joining your UC Davis Retirees' Association/UC Davis Emeriti Association to learn more and to take advantage of these opportunities.

Active Aggies

Secondly, the Cal Aggie Alumni Association has recently established an exciting new program for alumni and retirees called *Active Aggies*. The *Active Aggies* program was designed by Director Ginger Welsh, to provide alumni and retirees with engagement

experiences that are unique, healthy and invigorating, both physically and mentally. Participants provide their own transportation to and from experience locations. For more information, or to register for upcoming programs such as hikes or tours please visit the *Active Aggies* website at <https://www.alumni.ucdavis.edu/get-connected/chapters/special-interest/activeaggies>. As the name implies, events will tend to require various amounts of walking/hiking on uneven ground and will generally require participants to be in good health and have no mobility challenges.

If you have access to a unique hike or experience, a behind the scenes tour, a novel suggestion for an *Active Aggie* activity, or would like to volunteer with this

program, please contact Ginger Welsh by email at gwelsch@ucdavis.edu.

The Retiree Center opens a Sacramento office

Third, and perhaps the biggest news of 2017, is the realization of a satellite Retiree Center office at the Sacramento campus. The associations have worked with campus administration for the past three years to make a retiree presence in Sacramento a reality. The Retiree Center has a permanent home in the new Betty Irene Moore Hall. The shared suite provides two administrative work spaces; numerous small, quiet meeting rooms for private consultations as well as larger meeting spaces providing access to retirees for administrative meetings. This presence

will enable Retiree Center staff to better serve Sacramento campus employees, provide more Sacramento campus programming and host individual Fidelity retiree appointments. Please save the date of October 13th for the Grand Opening of the Betty Irene Moore Hall, more information will be coming in future weeks. In the meantime, we hope you will drop by to see this stunning new building on the Sacramento campus and to drop in to the Retiree Center's new digs. Our business hours are Tuesdays, 1 – 4 p.m., Thursdays 9 a.m. – noon, and Fridays 9 a.m. – noon and 1 – 4 p.m. The office is located at 2570 48th Street, Suite 2500, Sacramento, CA 95817. Please call ahead, (916) 703-2470 to confirm office hours as this is a one-person office.

UCDAVIS
HEALTH CARE FACILITATOR PROGRAM

UCDRA President

Dear Emeriti Colleagues,

I was sorry to miss the June UC Davis Retiree Center's reception celebrating

this year's retirees and emeriti. A belated special welcome to the 758 "graduates" of the class of 2017. As you embark on this next phase of life's journey, I hope you enjoyed the summer and are refreshed and ready to set a new course for yourselves...one that includes the UC Davis Emeriti Association.

Affiliation with an academic institution always means that the new year starts in September for me. As I begin my second year as president of your UC Davis Emeriti Association, I hope you will join me in continuing to be active members of the UC Davis community, including participation in the UCDEA activities. Many of our activities are planned in conjunction with the UC Davis Retirees' Association and UC Davis Retiree Center. These include monthly BrainFood Talks (second Thursday's at noon. Bring your lunch, we provide the coffee and cookies), field trips and socials. A new joint activity of both associations is to encourage contributions to the *Share Your Story* initiative, where you can submit a brief 250-word summary and picture explaining what brings you meaning and joy in your post- or continuing- UC Davis life. We would love to know yours, which are featured via our webpages.

I am thrilled that a satellite Retiree Center office has recently opened in the new Betty Irene Moore Hall on the Sacramento campus. Sacramento-based

emeriti will be able to stop in and get their questions answered, meet with a Fidelity representative or just stop by to say hello. As the year progresses, Executive Committee members look forward to exploring ways to engage Sacramento emeriti with shared activities and opportunities on both sides of the causeway. We look forward to hearing your ideas through your representatives Gibbe Parsons and Roy Curry.

In addition to serving an advocacy role for emeriti through the **Emeriti Welfare Committee** and the **UC Council of Emeriti Associations (CUCEA)**, UCDEA has several awards specifically for emeriti that recognize and honor your continuing work. Look for upcoming announcements.

One of our most active programs that is unique to UC Davis is the **Video Record Project** where we encourage you to sit down with a friend and tell the story of your career. These videos, accessible on YouTube, not only document your contributions to the campus, the university, and your professional endeavors, but give your family and friends a glimpse into your campus life. Our trusty videographers welcome your stories.

Please check out our website to learn more about UCDEA activities.

UCDRA President

Dear fellow retirees,

I'm honored to serve as president of your UC Davis Retirees' Association. First as an undergraduate and many years later as a vice chancellor, I developed a great fondness for the UC Davis community. As a relatively newly-minted retiree (class of 2014), I enjoy maintaining my connection with those parts of the campus I so enjoy, including the Arboretum, the Mondavi Center, morning workouts at the ARC and women's basketball season. I also appreciate shedding those aspects of campus life that were less enjoyable: meetings, meetings, and, did I mention endless meetings?

A principal purpose of the Association is to develop many paths for individuals to maintain their positive connections with the campus. In partnership with the Emeriti Association and the Retiree Center, a variety of programs and activities are presented each year and we hope you will join those that interest you. Many of this year's programs are centered around themes to help illustrate

the wide variety of resources and offerings available to you on campus.

The association also advocates on your behalf on matters of interest to retirees. Issues this upcoming year will likely include maintenance of retiree parking privileges and monitoring of health coverage benefits. Also of great interest is a new satellite Retiree Center on the Sacramento campus. This center should better and more conveniently serve not only those who have retired from the Medical Center, but those who live in the Sacramento area.

I will admit that I do not like the term retired. A term that includes "tired" does not reflect the lifestyle of most who served UC Davis. Results of a soon-to-be-released UC system-wide survey will report the extraordinary contributions retirees continue to make within their communities. As explained to graduating UC Davis students each spring, their graduation is known as commencement. I believe retirement is also a most notable commencement—the beginning of a new phase where you can better control your own time, pursue your interests and continue to contribute and help serve others.

Many of those who retired this year reflect the peak of the Baby Boom. These 700+ newly-minted retirees join the many others who have helped to build this extraordinary campus community. I look forward to seeing many of you throughout the upcoming year. Please turn your tassel to the opposite side of your cap and commence.

UCDRA Scholarship Winner

Jenna Wilkerson is this year's recipient of the annual UC Davis Retirees' Association Scholarship. Like many working professionals, Jenna has a busy life balancing a family and a full time job while also seeking a B.S. in Applied Management at Grand Canyon University. As a full time Pharmacy Technician at UC Davis Medical Center for the last five years, Jenna supervises and mentors colleagues while balancing the demands of the daily rigors of the pharmacy. She hopes that a degree in management (she plans to complete her degree next year) will help her to further refine her coaching and leadership skills.

Leadership has always been an important staple of Jenna's life. She served as the captain of her high school softball team, as well as a platoon squad leader in the Army (2002–2003). Currently she participates on the advisory board of Carrington College's Sacramento campus, along with other elite pharmaceutical pros, helping to shape the future of Carrington's Pharmacy Technology Program. Jenna and her husband Matthew, who also works and recently graduated from UC Davis' Wildlife and Fish Conservation program, are home-schooling two of their four children.

The UC Davis Retirees' Association launched a campaign in the fall of 2014 to endow a scholarship fund for

a UC Davis staff person pursuing his/her education while working. While the endowment has made great advances, the association has still to meet the final endowment goal of \$25,000. You can help fund the education of a future colleague by donating to the fund at <http://ucdra.ucdavis.edu/award/career-enhancement.html>.
